

RattlesRock.com

The Rattles are an indie band for children of all ages. The site is a portal for connecting with the band and their fan base. Find out what's new with them, their music and connect with other fans. From free music downloads to shopping for band swag, to band member blogs, it's all available on RattlesRock.com.

Go to the Rattles fan blog and talk to other Fans. Suggest new and creative ideas of how to have fun with Rattles products and share your art, pictures and stories.

The Rattles site is a destination for fans of all ages that share a love for music and want to connect with new friends.
